

Conference Announcement: 20th World Congress on Advances in Pharmaceutical Sciences

Isaac Bruce

Prof and Head of the Pharmaceutical Sciences Department, University of Libya, Libya, E-mail: isaacbruce.antibio@gmail.com

The conference "**19th World Congress on Advances in Pharmaceutical Sciences**" hosted by Conference Series was held during **October 14-15, 2019** in **Seoul, South Korea** was successfully completed with the theme "Potential Challenges and Strategies to Tackle Emerging Pharma Innovations" offered a unique opportunity for investigators across the globe to meet, network, and perceive new scientific innovations. Benevolent response and active participation was received from the scientists, professors, lecturers, pharmaceutical industries, healthcare industries, researchers and students from the fields of [pharmaceutical sciences](#), those who involved in this successful event.

possibilities offered by [Pharmaceutical Sciences](#) and by the progress in experimental [pharmacology](#), needs this important moment, which can be reviewed by our World Congress Event.

The conference highlights of 2020 are as follows:

The conference was initiated with the honorable presence of the Keynote forum. The list includes:

- **Title:** Advantages of Fluorinated Fragment Library in the Discovery of Novel Specific Binders and Hit to Lead Optimization
Karen Tarasenko, *Chemspace Inc., USA*
- **Title:** Effect of Manganese on Co-Mn/CNT Bimetallic Catalyst Performance in Fischer-Tropsch reaction
Omid Akbarzadeh, *University of Malaya, Malaysia*

Conference Series is organizing "**20th World Congress on Advances in Pharmaceutical Sciences**" which is going to be held during **September 24-25, 2020** in **Singapore**. The theme of the conference is "*Latest Discoveries in Pharmaceutical Sciences*". The conference will cover the fields related to [pharmaceutical sciences](#), its complication and the management and it also cover what is the innovative treatment related to the disorders. Our Conference can review the major event in developing, upgrading and teaching Clinical Trials, Drug Development and many more. Our Discipline strongly bracing by the
