

Boosting the Enthusiasm of Shaping Next Generation Medicine by Presenting Best in Category Awards

Alexander Pyatenko

Senior Researcher, National Institute of Advanced Industrial Science and Technology (AIST), Tsukuba, Japan, E-mail: alexander.pyatenko@aist.go.jp

We cordially invite you to “16th International Conference and Exhibition on [Nanomedicine & Pharmaceutical Nanotechnology](#)” (NanoPharma 2020) scheduled during May 04-05, 2020 at Amsterdam, Netherlands with theme: Challenges and Innovations in Nanomedicine and Pharmaceutical Nanotechnology. [NanoPharma 2020](#) invites all the recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Nanotechnology and Nanomedicine.

NanoPharma 2020 Awards Categories:

[NanoPharma 2020](#) offers several emerging scholar awards to outstanding contribution in the field of Nanomedicine and Pharmaceutical Nanotechnology. The Award strives in providing a strong professional development opportunity for early career academicians-meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

Expert Level (Scientific Service Achievement Award)

[NanoPharma 2020](#) will honour the experts in field of researching the recent trends and developments towards Nanomedicine & Pharmaceutical Nanotechnology. The eligibility criteria for achieving this award is minimum of 20+ years of experience in the field of Nanomedicine & Nanotechnology.

Professional Level (The Research Contribution Award)

The research contribution award is open for all professional or academic researchers contributing in the field of Nanomedicine research. The eligibility criteria for achieving the award is 10+ years in the field of Nanomedicine & Nanotechnology.

Scholar Level (The Upcoming Researcher Award)

Scholar Level Award for the future researchers, scientists and specialists and the eligibility criteria for achieving the award is 10+ years in the field.

Women Scientist (The Women of Science Award)

This [Award](#) is to energise our women scholar researchers/scientists encouraging career development through analysis grants.

Outstanding speaker:

This respect sees for individual who will show their aspire, techniques, and plans that have been completed to improve long stretch Science practices and research ideas in the field of Nanomedicine & Pharmaceutical Nanotechnology.

Best Keynote Speaker:

This respect sees for best Keynote speaker who can show their activities, techniques, and plans that are dead to boost long-standing time greatness in Science practices and research ideas in the field of [Nanomedicine and Nanotechnology](#).

Best Poster Presentation:

Best Poster Competition is organized at conference, to encourage students and up to date graduates to Award their original analysis.

Outstanding Masters/Ph.D./Post Doctorate thesis work:

This honour is perceiving for Masters/Ph.D./Post scholastic degree proposal work Presentation Who will show their undertakings and postulation that square measure upheld to upgrade since an extended time past run greatness within the sphere of Science practices and research ideas in the field of [Nanomedicine and Pharmaceutical Nanotechnology](#).
