The organising committee members of International Conference on [2nd International Conference on Bio-Pharmaceuticals](#) have finally revealed the theme “Present challenges and futuristic scope in Bio-Pharmaceuticals” for this year [ASIA BIO 2020](#). Conference Series and the organising committee of [ASIA BIO 2020](#) acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of [Pharmacy](#), [Clinical](#), [Pharmaceutical Sciences](#) and has decided to introduce various achievement awards for all the participants. [ASIA BIO 2020](#) conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at [ASIA BIO 2020](#).

Expert Level (Scientific Service Achievement Award)

Expert Level: The award is meant to the experts who have made exceptional contribution in the field of [Bio-Pharmaceuticals](#) Research. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

Professional Level (The Research Contribution Award)

The distinguished “Research Contribution Award” at Professional Level will be awarded by the Organizing Committee of [ASIA BIO 2020](#) to the participants of [2nd International Conference on Bio-Pharmaceuticals](#). The Award for professional or academic research activity acquired in [Pharmaceutical Science](#) research field in the public or private sector. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of [Pharmaceutical Sciences](#).

Scholar Level (The Upcoming Researcher Award)

[2nd International Conference on Bio-Pharmaceuticals](#) offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of [Pharmaceutical Sciences](#). [Pharmacovigilance](#) & [Clinical Trials](#) conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.

Deserving nominees can be awarded online as well.

Women Scientist (The Women of Science Award)

[2nd International Conference on Bio-Pharmaceuticals](#) provides a unique platform with “Women of Science Award” for women scientists for presenting latest research projects with an in-depth analysis. Global Pharmacovigilance 2020 invites Women scholars and scientists from Pharmaceutical Science and Clinical Trials fields. The committee encourages women scientist’s through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of [Pharmaceutical Sciences](#).

Outstanding speaker and Best Keynote Speaker in ASIA BIO 2020
